

Legal Notice and Privacy Policy Terms

- 1.** The data provided to Besign will not be disclosed to third parties.
- 2.** Besign is not responsible for the accuracy, amending and updating of the data received.
- 3.** The protection and enforcement of copyright by third parties with uploaded works are not the responsibility of Besign, therefore, only the offenders will be liable. This rule covers the appropriation of ideas, projects or any other subject matter of copyright.
- 4.** Besign reserves the right not to publish works, projects, ideas or any other information uploaded or received from any entity.
- 5.** The submitting person accepts the conditions of use by uploading any kind of work including, but not limited to, rules relating to privacy, copyright and liability established by Besign.
- 6.** This policy was created with a fundamental respect for all users' right to privacy.
